

A black and white photograph showing a cow in a metal enclosure. The cow is black and white, facing left. The enclosure is made of metal bars. In the foreground, there is a dark, textured surface, possibly a concrete wall or a large metal barrier. A warning sign is affixed to this surface. The sign is rectangular with a black background and white text. The text reads: "DO NOT CROSS ANIMAL BARRIERS. ANIMALS MAY BITE." The background shows a large, open space, likely a barn or a processing area, with a high ceiling and some structural elements visible.
